INCOME SUPPORT PROGRAMS

Provincial Government Programs

Seniors Financial Assistance Programs

The Government of Alberta offers the following financial assistance programs for seniors:

- » Alberta Seniors Benefit
- » Special Needs Assistance for Seniors
- » Dental and Optical Assistance for Seniors
- » Seniors Home Adaptation and Repair Program
- » Seniors Property Tax Deferral Program

You should receive a Seniors Financial Assistance application package in the mail three months before your 65th birthday. If you do not, call the Alberta Supports Contact Centre at 1-877-644-9992.

The Seniors Financial Assistance application form will help you access the Alberta Seniors Benefit, Special Needs Assistance and Dental and Optical Assistance for Seniors program. You need only apply once.

A separate application and agreement form must be completed to access the Seniors Home Adaptation and Repair and Seniors Property Tax Deferral Programs.

General eligibility

You are eligible to apply for the seniors financial assistance programs, if you:

- » are 65 years of age or older;
- » have lived in Alberta for at least three months immediately before applying;
- » are a Canadian citizen, or have been admitted into Canada for permanent residence (landed or sponsored immigrant)

If you meet all of the above eligibility requirements, your level of assistance will be determined based upon the specific criteria for each program.

Alberta Seniors Benefit

The Alberta Seniors Benefit program provides a monthly income supplement to federal income sources including Old Age Security (OAS) and Guaranteed Income Supplement (GIS).

Eligibility for a benefit is determined by:

- » The type of accommodation you live in;
- » Your marital/cohabitation status;
- » Your income (combined with your spouse/partner's income if applicable); and
- » Receiving the federal OAS pension, having lived in Canada for 10 years.

General eligibility

In general, a single senior with an annual income of \$27,300 or less, and senior couples with a combined annual income of \$44,335 or less, are eligible for a cash benefit. These income levels are guidelines only, and are for seniors whose income includes a full OAS pension.

Special Needs Assistance for Seniors

The Special Needs Assistance for Seniors program provides low-income seniors with financial assistance toward a range of expenses including appliances and some health and personal supports. A senior's total annual income and the expense requested are used to determine the amount funded. The maximum assistance available is \$5,000 in a benefit year (July to June).

General eligibility

To be considered for the Special Needs Assistance for Seniors program, you must have completed the Seniors Financial Assistance application form. You may then send the Special Needs Assistance for Seniors program a receipt or estimate for the expense requested. A single senior with a total annual income of \$27,300 or less, or a senior couple with a total combined annual income of \$44,335 or less may receive assistance.

Dental and Optical Assistance for Seniors

The Dental Assistance for Seniors program provides basic dental coverage, according to an approved benefit schedule, to a maximum of \$5,000 every five years.

The Optical Assistance for Seniors program provides assistance, to a maximum of \$230, towards the purchase of prescription eyeglasses every three years.

General eligibility

To be considered for the Dental and Optical Assistance programs, you must have completed the Seniors Financial Assistance application form. A single senior with a total annual income of \$31,675 or less, or a senior couple with a total combined income of \$63,350 or less, may receive assistance.

How it works

Some service providers will direct bill benefit administrators for the amount covered by the program, while some service providers may require you to pay the full bill, and then submit a claim to the benefit administrator for reimbursement. To find out how much of your dental/optical work is covered, and/or to submit a claim, you or your service provider may contact the benefit administrator.

The Seniors Home Adaptation and Repair Program

The Seniors Home Adaptation and Repair Program is a low-interest home equity loan program to help senior homeowners finance home repairs, adaptations and renovations. Examples include but are not limited to; plumbing, heating, electrical, tree removal, windows, roof repairs, widening doorways and stair lifts. The program provides a maximum loan amount of \$40,000 and will be repaid upon the sale of the property, or earlier if you wish. Monthly payments are not required.

General eligibility

To qualify, you must be age 65 years or older, be an Alberta resident for at least three months, have an annual household income of \$75,000 or less, and have at least 25 per cent equity after the loan. This means all charges registered against your home in a land titles office cannot exceed 75 per cent of your home's assessed value, as shown on your municipal assessment.

Interest

Simple interest (not compounded) will be charged once a loan is approved. The interest rate is variable and is reviewed twice a year in April and October and may be adjusted accordingly.

How to apply

You must complete and submit a Seniors Home Adaptation and Repair Program application form to apply to the program.

For an application form or for information on the current interest rate, contact:

Seniors Property Tax Deferral Program

The Seniors Property Tax Deferral program allows eligible senior homeowners to defer all or part of their annual residential property taxes through a low-interest home equity loan with the Alberta Government. If you qualify, the Alberta government will pay your residential property taxes directly to your municipality on your behalf. You repay the loan, with interest, when you sell the home, or sooner if you wish. Monthly payments are not required.

General eligibility

To qualify, your home must be your primary residence, where you live most of the time, and you must have a minimum of 25 per cent equity in your home. This means all charges registered against your home in a land titles office cannot exceed 75 per cent of your home's assessed value, as shown on your municipal assessment.

Interest

Interest charges start from the date the program pays your residential property taxes on your behalf to your municipality and ends when your loan has been repaid in full. The interest rate is variable and is reviewed twice a year in April and October and may be adjusted accordingly. The program charges simple (not compounded) interest.

How to apply

You must complete and submit a Seniors Property Tax Deferral program application form to apply to the program. All registered owners must sign the application form. You may apply at any time, however, to avoid late penalties, senior homeowners are encouraged to apply as early as possible before their residential property taxes are due.

Old Age Security Pension

To be eligible for the federal Old Age Security pension (OAS), you must:

- » be at least age 65 (you do not need to be retired);
- » be a legal resident of Canada; and
- » have lived a minimum of 10 years in Canada after the age of 18.

You should apply for your OAS pension right away if you do not receive a letter from Service Canada the month after you turn 64 years old and wish to start receiving your OAS pension at age 65.

If you are 65 or older and are not covered by the conditions above, you may still qualify for a pension since Canada has social security agreements with many countries. Call Service Canada for information.

Guaranteed Income Supplement

The Guaranteed Income Supplement (GIS) provides a monthly non-taxable benefit to Old Age Security (OAS) pension recipients who have low income and are living in Canada.

You qualify for the GIS if you meet all of the following conditions:

- » you are receiving an Old Age Security pension; and
- » your annual income (or in the case of a couple, your combined income) is less than the maximum annual threshold.

Using your income information from your Federal Income Tax and Benefit Return, your eligibility for the GIS will be reviewed every year. If you still qualify, your benefit will automatically be renewed. In July, you will receive a letter telling you:

- » your benefit will be renewed,
- » your benefit will be stopped, or
- » your income information is required.

Allowance / Allowance for the Survivor

The Allowance is paid to the spouse or common-law partner of a senior receiving the Guaranteed Income Supplement. You may qualify for the Allowance if you meet all of the following conditions:

- » You are aged 60 to 64,
- » Your spouse or common-law partner receives an Old Age Security pension and is eligible for the Guaranteed Income Supplement,
- » You are a Canadian citizen or a legal resident,
- » You reside in Canada and have resided in Canada for at least 10 years since the age of 18, and
- » You and your spouse or common-law partner's annual combined income from the previous year is less than the maximum allowable annual threshold.

The Allowance for the Survivor is available to widowed spouses or surviving common-law partners who have little or no other income and who are between the ages of 60 and 64.

You may qualify for the Allowance for the Survivor if you meet all of the following conditions:

- » you are aged 60 to 64 (includes the month of your 65th birthday),
- » you are a Canadian citizen or a legal resident,
- » you reside in Canada and have resided in Canada for at least 10 years since the age of 18,
- » your spouse or common-law partner has died and you have not remarried or entered into a common-law relationship, and
- » your annual income is less than the maximum annual threshold.

People who may be eligible for the Allowance or Allowance for the Survivor should apply six to eleven months before their 60th birthday. It may be applied for any time between ages 60 and 64 and can continue until the age of 65.

To continue receiving the Allowance or Allowance for the Survivor, you must file an income tax return by April 30 each year. If you continue to be eligible, your Allowance or Allowance for the Survivor will automatically be renewed. If you do not file your return, you must complete a renewal form.

Canada Pension Plan

The federal government administers the Canada Pension Plan (CPP). You contribute to the CPP through employment or self-employment. There are different types of CPP benefits. Application forms are available at any Service Canada Centre by calling 1-800-277-9914 or on the website at www.canada.ca

The most applicable CPP benefits for seniors are:

Retirement pension

You may be eligible for a retirement pension if you worked and have made at least one valid contribution to the CPP. The pension may start at age 65 or, as early as the month following your 60th birthday, at a reduced rate.

Post-Retirement benefit

If you continue to work while receiving your CPP retirement pension, and are under the age of 70, you can continue to participate in the CPP. Your CPP contributions will go toward post-retirement benefits, which will increase your retirement income.

Disability benefits

If you become severely disabled to the extent that you cannot work at any job on a regular basis, you or your children may receive a monthly benefit.

Survivor's pension

The survivor pension is a monthly pension paid to the surviving spouse or common-law partner of a deceased contributor.

Death benefit

The CPP death benefit is a one-time payment to, or on behalf of, the estate of a deceased CPP contributor.

Children's benefit

The surviving child's benefit is a monthly benefit for dependant children of a deceased contributor. Children must be younger than 18, or if 18 to 25, must be in school full time.

For information on other CPP benefits, call Service Canada toll-free at 1-800-277-9914, or visit www.canada.ca

HOUSING

Provincial Government Programs

Seniors Lodge Program

Lodges provide bed and sitting rooms for low and moderate-income seniors who are functionally independent. Residents receive meals, housekeeping and recreational opportunities and other services.

Eligible applicants are placed on a priority list based on need and available units. Community residency requirements may be in place.

Local housing management bodies administer lodges and set the accommodation rates. To assist lower-income residents, each eligible resident must be left with at least \$315 per month in disposable income after lodge accommodation costs.

For more information about the Seniors Lodge program, contact:

Seniors Self-Contained Housing

Local housing management bodies provide affordable apartment-style accommodations for low and moderate-income seniors who are functionally independent and cannot afford private-sector housing.

Eligible applicants are placed on a priority list based on need and unit availability. A tenant's rent, which includes heat, water and sewer expenses is based on 30 per cent of a household's adjusted income.

A searchable list of housing and housing management bodies is available at:
www.seniors-housing.alberta.ca

Office of the Public Guardian and Trustee

The Office of the Public Guardian and Trustee (OPGT) offers information and services about substitute decision making for adults who lack mental capacity, including planning for the future with a personal directive and enduring power of attorney.

The OPGT may act as guardian and/or trustee for adults who lack the capacity to make their own personal and/or financial decisions when there is no other person able, willing, or suitable to take on the role. The OPGT may also administer estates when someone has died and there is no one else to do so. In addition, the OPGT protects the assets of minors (under 18 years) where required by law or where a minor is a beneficiary but there is no trustee named.

You can contact the OPGT for more information and help with the decision making options listed below.

Supported Decision Making Authorization

- » Adults with capacity can authorize a trusted person(s) to assist them with finding information, making decisions, and communicating their decisions.
- » May be helpful for people who face complex decisions or have difficulty communicating their decisions to others.

Co-Decision Making Order

- » The adult has some capacity limitations but could make personal decisions with guidance and support from someone else.
- » A co-decision making order may be appropriate if the assisted adult has a trusting, co-operative relationship with their co-decision maker(s).

Guardianship and Trusteeship Orders

- » Court-appointed substitute decision makers for adults who no longer have the capacity to make personal and/or financial decisions on their own.

Personal Directive

A personal directive is a legal document that allows you to choose someone you trust to make personal decisions on your behalf if, in the future, you lose your ability to do so because of illness or injury. If you prepare this document, there is no need for your family to apply to be your guardian in the event you lose capacity.

For more information, or to download a personal directive form, visit:

<http://www.humanservices.alberta.ca/guardianship-trusteeship/personal-directives-how-it-works.html>

Enduring Power of Attorney

An Enduring Power of Attorney is a legal document you can use to appoint someone to make financial and legal decisions on your behalf. A Power of Attorney is “enduring” if it states its power continues after mental incapacity or it can be written to only take effect when mental capacity is lost. If you prepare this document, there is no need for your family to apply to be your trustee in the event you lose capacity.

For more information on the Office of the Public Guardian and Trustee, visit the website at <http://humanservices.alberta.ca/guardianship-trusteeship.html>, or contact the Office of the Public Guardian and Trustee.

Alberta's Health Advocates

Health Advocate

The Health Advocate and Mental Health Patient Advocate report to government activities and health related issues that concern Albertans. The Health Advocate promotes self-advocacy and supports Albertans in dealing with their concerns about health services by:

- » Listening to concerns of Albertans and supporting them in finding ways to resolve them;
- » Providing education about the Alberta Health Charter;
- » Referring Albertans to the appropriate complaints resolution process;
- » Reviewing or investigating complaints under the *Alberta Health Act*;
- » Providing information about health care services and programs.

Mental Health Patient Advocate

The Mental Health Patient Advocate helps people who are or have been detained in hospital under admission or renewal certificates and people under community treatment orders, and those acting on their behalf, to understand and exercise their rights. Mental Health Patient Advocate may investigate complaints or refer the complainant to another body that can assist.

Advance Care Planning

Advance care planning is a way to help you think about, talk about and document your wishes for health care. It is a process that can assist you in making healthcare decisions now and for in the future. If there is a time when you are unable to speak for yourself, it is important that your loved ones and your healthcare team understand your wishes for health care. It is important to begin advance care planning conversations before you face a crisis or become seriously ill.

In Alberta, one way to document your advance care planning wishes is in a personal directive. A personal directive is a legal document that allows you to choose someone you trust to make personal decisions on your behalf and leave them some guidance for use, in the future, if you lose your ability to make your own health care decisions because of illness or injury (see page 21).

Goals of care designations are used by your healthcare providers to describe the general aims of your health care and the preferred location of that care. In a medical emergency, your goals of care designation guides your health care team to provide timely care that best reflects your health condition, the treatments that will be of benefit to you, and your own wishes and values. The goals of care designation order is documented on an Alberta Health Services form by your physician or nurse practitioner and is recognized by all healthcare services.

For more information about Advance Care Planning, talk to your healthcare provider or visit <https://myhealth.alberta.ca/Alberta/Pages/advance-care-planning-topic-overview.aspx>

Utilities Consumer Advocate

The Utilities Consumer Advocate (UCA) represents the interests of Alberta's residential, farm, and small business electricity and natural gas consumers. The UCA works to ensure consumers have the information, representation, and protection they need to help them make informed choices in Alberta's deregulated electricity and natural gas markets.

The UCA's mediation team is available to answer consumer's questions and provide detailed advice and information about the electricity and natural gas industry. Common topics include contracts, billing, and distribution fees.

When consumers have exhausted known avenues of issue resolution, the UCA will investigate and mediate concerns with utility companies.

HEALTH SERVICES

Alberta Health Care Insurance Plan

Eligibility

You must be registered for Alberta Health Care Insurance Plan (AHCIP) coverage to receive insured hospital and physician services.

Coverage is provided to eligible residents of Alberta who meet the following criteria:

- » Legally entitled to be or to remain in Canada and makes his/her permanent home in Alberta;
- » Committed to being physically present in Alberta for at least 183 days in a 12 month period;
- » Not claiming residency or obtaining benefits under a claim of residency in another province, territory or country;
- » Any other person deemed by the regulations to be a resident not including a tourist, transient or visitor to Alberta.

Detailed information on applying for AHCIP coverage is available on the Alberta Health website at www.health.alberta.ca

Basic coverage includes:

- » full coverage for medically necessary insured services provided by physicians according to the Schedule of Medical Benefits;
- » medically necessary oral and maxillofacial surgical procedures and some specific dental procedures performed by an oral surgeon or dentist according to the Schedule of Oral and Maxillofacial Surgery Benefits;
- » some foot care services if provided in Alberta by a podiatrist. Benefits are limited for each service and payable according to the Schedule of Podiatry Benefits to a maximum payable per benefit year* of \$250 (check with podiatrist prior to treatment);
- » a podiatric surgery program that provides full coverage for medically necessary services provided by a podiatric surgeon in an Alberta hospital or non-hospital surgical facility under contract with Alberta Health Services according to the Schedule of Podiatric Surgery Benefits;
- » some optometry services, if provided in Alberta. Benefits are limited to one complete exam, one partial exam and one diagnostic procedure per benefit year*;

- » an operator's licence medical examination for people 74.5 years of age and over;
- » Some publicly funded physiotherapy services are provided through Alberta Health Services Ambulatory Community Physiotherapy program. The physiotherapist determines the number of treatments to be publicly funded based on the client's presenting condition or injury.

For more information about coverage for hospital services, please contact Alberta Health Services through Health Link by dialing 811 from anywhere in Alberta.

**The benefit year for the Alberta Health Care Insurance Plan is from July 1 to June 30.*

Uninsured Services

The AHCIP provides full coverage for medically necessary insured services provided by physicians. However, uninsured services, such as the copying and transfer of medical records from one physician to another, are not covered. You can expect to pay the full fee for uninsured services and must be informed of this by your physician before the service is provided.

- » The AHCIP is not a dental plan and as such it does not cover services such as office visits, X-rays, splints, models, orthodontic treatments, dentures and other dental services.
- » Podiatrists may bill residents an amount in addition to the amount payable by the AHCIP.
- » Patients are also responsible for the full cost of any uninsured services, including medical and surgical appliances, supplies and facility fees when provided in a podiatrist's clinic. Some services not covered by the AHCIP may be covered by other government sponsored or private supplementary health insurance.

Hospital Services

Alberta Health provides funding to Alberta Health Services for in-patient and out-patient hospital services. These services are not funded if obtained in a private facility. When you are admitted to an acute care hospital in Alberta for insured services, you will receive standard ward care, meals, nursing and other services while you are a patient in the hospital.

If you request a private or semi-private hospital room, a room charge may be applied by the hospital, unless a physician indicates it is medically required. You may be able to purchase coverage for these charges from some private insurers. See page 38 for information on private insurers.

For more information about coverage for hospital services, please contact Alberta Health Services through Health Link by dialing 811 from anywhere in Alberta.

Temporary absence from Alberta

Individuals must be physically present in Alberta for at least 183 days in a 12-month period to remain eligible for coverage from the AHCIP.

For details on basic coverage and services covered outside Alberta, contact Alberta Health.

Recurring absence from Alberta

You may remain eligible for AHCIP coverage if, on a recurring basis, you are absent from Alberta for up to 212 days in a 12-month period for the purpose of vacation.

» Contact Alberta Health before you leave to ensure your coverage under the AHCIP remains current. Alberta Health covers only some limited physician and hospital expenses outside Alberta. It is strongly recommended that Alberta residents carry private supplementary insurance when travelling outside of Alberta to cover unforeseen emergency care and transportation, as these costs may be significant.

For details on temporary absence and extensions of coverage and services covered outside of Alberta, contact Alberta Health:

Dental and Optical Assistance for Seniors

Dental Assistance for Seniors

The Dental Assistance for Seniors program provides basic dental coverage to a maximum of \$5,000 per eligible senior, every five years.

Optical Assistance for Seniors

The Optical Assistance for Seniors program provides assistance of up to \$230 per eligible senior, towards the purchase of prescription eyeglasses every three years. Please see page 3 for program details.

Alberta Aids to Daily Living (AADL)

The Government of Alberta offers the Alberta Aids to Daily Living (AADL) program to assist Albertans with a long-term disability, chronic illness or terminal illness to maintain independence by providing basic medical equipment and supplies to meet their clinically assessed needs.

You may be eligible for AADL benefits if you meet the following criteria:

- » are an Alberta resident;
- » have a valid Alberta Personal Health Number; and
- » require benefits due to a long-term disability, chronic illness or terminal illness. Long-term and chronic are defined as six months or longer.

An assessment by an AADL authorizer or specialty assessor determines the clinical need for medical equipment and supplies that an Albertan may be eligible for through this program. This may be a nurse, physical therapist, occupational therapist, respiratory therapist, audiologist or other health care professional who may work in a community health care centre, hospital, long-term care centre, home care program or private practice.

Please contact Alberta Health Services to locate an AADL authorizer and consult the vendor lists on the AADL website to locate an AADL specialty assessor.

Note: Medical doctors are not authorizers and do not determine eligibility. However, certain benefits require a doctor's prescription.

How does the program work?

AADL is a cost-share program. You pay 25 per cent of the cost of program benefits to a maximum of \$500 per individual/family, per benefit year (July 1 to June 30).

If you choose an upgraded item, you are also responsible for paying any additional amount.

Low-income Albertans, below qualifying income thresholds, are exempt from cost-sharing. Your authorizer or local community health care centre will have a cost-sharing exemption application for you to complete and submit to the address on the form.

If you are exempt from cost-sharing, your authorizer and vendor will be notified through the AADL system. If you choose an upgraded item, you are responsible for paying any additional costs regardless of cost-share status.

What is covered?

Only certain medical equipment and supplies are provided. You must be assessed and authorized for AADL benefits before you receive them. AADL cannot refund clients who purchase their own medical equipment and supplies before being assessed and authorized for equipment and supplies. Equipment and supplies must be purchased from an AADL approved vendor within the province of Alberta, unless otherwise specified.

The program does not provide coverage for canes, reachers, foot orthotics, eyeglasses, prescription drugs, dental care or dentures.

Hearing Aids

Hearing aids are provided to seniors and their dependants through AADL registered suppliers only, and cost-sharing applies. When visiting a hearing aid supplier, please ensure that they are registered with AADL as a vendor.

For more information about registered vendors, contact:

Alberta Aids to Daily Living

Edmonton: 780-644-9992

Website: <http://www.health.alberta.ca/services/aids-to-daily-living.html>

Benefit information:

- » If you are a cost-share client, AADL contributes \$900 towards one hearing aid only. If you are exempt from cost sharing, AADL will contribute up to \$1,200 per affected ear. This does not include upgrades. If a more expensive hearing aid is purchased, you are responsible for the difference.

- » With prior approval, AADL will provide a personal listening device instead of a hearing aid.
- » Replacement of batteries is at your own cost.
- » AADL will assist with the invoice cost of factory repairs for the hearing aid once per benefit year after the original purchase warranty expires.
- » Minor servicing and additional fees charged by the hearing aid practitioner are at your own cost.

Medical / Surgical Supplies, Prosthetics, Orthotics, Footwear, Mobility and Respiratory Equipment

An AADL authorizer or specialty supplier must assess your need for equipment and supplies and complete an authorization form. Some items may require a physician's prescription.

Program authorizers or specialty suppliers have complete lists of all items provided through AADL. You may also find this information at www.health.alberta.ca/services/AADL-program-manual.html. A maximum number of benefits are available each year.

Alberta Blue Cross

Coverage for Seniors

Alberta Health provides premium-free coverage for health-related services not covered by the Alberta Health Care Insurance Plan through Alberta Blue Cross Coverage for Seniors. This coverage is available to all Albertans 65 years of age and older and their eligible dependants. Coverage for Seniors starts the first month after you turn 65.

Once you are registered with Alberta Health and your date of birth has been validated, you will be sent an Alberta Blue Cross card. To receive services, you must show your card.

Coverage for Seniors uses the same benefit year as Alberta Health – July 1 to June 30.

Ambulance Services

Ambulance services refer to transportation to or from a public or general, active treatment hospital. You must be ill or injured and transported in a ground vehicle licensed under the *Ambulance Services Act*. Coverage for Seniors will pay up to the maximum rate set by Alberta Health.

Note: Inter-facility transfers are not covered under Alberta Blue Cross Coverage for Seniors. Inter-facility transfers are covered by Alberta Health Services.

Prescription Drugs

Alberta Health covers 70 per cent of the cost of prescription drugs listed in the Alberta Drug Benefit List. You pay the other 30 per cent, up to a maximum of \$25 per prescription or refill. The pharmacy bills Alberta Blue Cross directly.

Note: If an interchangeable or generic drug product is available, Coverage for Seniors will pay the least-cost alternative price.

Purchase only the medicine you need, in quantities you will use. The maximum prescription quantity is a 100-day supply. It is best to be stabilized on the drug dose before getting this quantity. A pharmacist cannot dispense a larger quantity without pre-authorization from Alberta Blue Cross. If you plan to travel outside Alberta and need medication for more than 100 days, talk to your pharmacist at least two weeks before your departure. This will give your pharmacist enough time to obtain authorization.

Coverage for Seniors also provides coverage for services received in other parts of Canada or outside the country. You may be asked to pay for these services at the time they are provided. To be reimbursed, send Alberta Blue Cross a completed and signed Alberta Blue Cross health claim form, with receipts attached. Benefits for services received out-of-country are paid in Canadian funds according to approved Alberta benefit rates.

Diabetic Supplies

Coverage for Seniors provides diabetic supplies for insulin-treated diabetics only, up to a maximum of \$600 per eligible person each benefit year for diabetic supplies purchased from a licensed pharmacy. Diabetic supplies include needles, syringes, lancets and blood glucose and urine testing strips. Additional financial assistance for low-income seniors is available through the Special Needs Assistance for Seniors program. Please see page 2 for details.

Chiropractic Services

Up to \$25, per visit to a maximum of \$200, per person each benefit year, for services provided by a chiropractor who is lawfully entitled to practice.

Clinical Psychological Services

Up to \$60 per visit, to a maximum of \$300 per family each benefit year, for treatment of mental or emotional illness by a registered chartered psychologist.

Home Nursing Care

Coverage up to \$200, per family each benefit year, for nursing care provided in the patient's home by written order of a physician. Home nursing care must be provided by a registered nurse or licensed practical nurse who is not a relative of the patient.

Continuing Care Services

Alberta's continuing care system provides Albertans with the health, personal care and accommodation services they need to support their independence and quality of life.

Continuing care services are provided in three streams:

- » home living;
- » supportive living; and
- » facility living.

Each stream can provide clients with a broad range of health and personal care, accommodation and hospitality services. In addition, Alberta Health Services may be able to offer various models of care within these streams, including group homes, special centres for individuals with dementia, transitional living settings and various types of seniors' day programs.

Individuals who receive publicly-funded health services through Alberta Health Services will undergo a needs assessment by a healthcare professional to determine their care and service needs. Anyone can request this assessment. Once a request is made a case manager will meet with the person and discuss the situation. Alberta Health Services staff will work with the Case Manager, the individual and family to find the service or facility that would best meet the client's needs. Alberta Health Services' goal is to make sure individuals get the right services in the right place in a timely manner.

An assessment can be arranged by contacting Alberta Health Services through Health Link by dialing 811 from anywhere in Alberta. More information about accessing continuing care is available at: <http://www.albertahealthservices.ca/cc/Page15237.aspx>.

Home Living / Home Care Services

The home living stream is designed to support individuals living in their own homes, apartments, condominiums or other independent living options that require care.

Alberta Health Services is responsible for assessing clients and providing the home care services necessary to meet the unmet needs of individuals, of all ages who have varying degrees of short and long-term illness and/or disability.

Individuals can access home care services through self-referral or a referral made by friends, family, health care providers or other community agencies acting on their behalf.

Assessed home care services provided at no charge include professional case management, professional health care, personal care, caregiver support and respite care. Client charges may apply to assessed home and community support services.

An assessment can be arranged by contacting Alberta Health Services through Health Link by dialing 811 from anywhere in Alberta. More information about accessing continuing care is available at: <http://www.albertahealthservices.ca/cc/Page15237.aspx>.

Supportive Living

Supportive living combines accommodation services with other supports and care. Supportive living services are designed to assist individuals in maintaining a level of independence. Supportive living is not intended for individuals who have highly complex health care needs.

In addition to providing a place to live, services in supportive living accommodations can include meals, housekeeping and social activities. Supportive living residents may receive home care services.

In order to access some supportive living options (such as designated supportive living), individuals may need to undergo an assessment by Alberta Health Services staff.

More information on supportive living is available online at:

Website: www.mysage.ca**Facility Living / Long-Term Care Facilities**

Long-term care facilities provide support to individuals who require 24-hour nursing support to meet medical needs associated with chronic disease or frailty. As part of the continuing care system, long-term care facility living provides room and board in a secure living arrangement along with personal care and support with activities of daily living.

In Alberta, long-term care facilities include nursing homes and auxiliary hospitals. All long-term care facilities across Alberta are operated by or under contract to Alberta Health Services. Some facilities may be stand-alone buildings; while some may be in sites where a range of services are provided.

Admission to long-term care facilities is determined by Alberta Health Services, by conducting an assessment of the individual's health needs. Based on this assessment, publicly funded long-term care services are provided.

For more information about long-term care accommodations, or to arrange an assessment, please contact Alberta Health Services through Health Link by dialing 811 from anywhere in Alberta or visit: <http://www.albertahealthservices.ca/cc/Page13154.aspx>.

Residents of long-term care facilities do not pay for:

- » prescription drugs as prescribed by a physician or ambulance services when the transfer is to or from a hospital.

Individuals living in long-term care facilities are responsible for paying accommodation charges for housing and hospitality services. Charges may vary according to the type of room. Charges change periodically.

The rates as of July 1, 2017 are:

- » \$53.80/day for standard accommodation (three or four beds in one room)
- » \$56.65/day for semi-private accommodation (two individuals in one room)
- » \$65.50/day for private accommodation

Low-income seniors may be eligible for financial assistance through the Alberta Seniors Benefit program.

Alberta Health Services

Day Support Programs and Day Hospitals

Day support programs are group programs that individuals may attend on a daily basis. They are intended as an alternative to admission to an acute care hospital or long-term care facility for people who are frail and/or disabled, and those who need health maintenance, rehabilitation and social or recreational activities.

The programs take place in a variety of settings. To find out if there is a day support program or a day hospital in your community, contact Alberta Health Services.

Geriatric Assessment and Rehabilitation Programs

Specialized geriatric assessment and rehabilitation programs are offered in several communities. For information, contact Alberta Health Services.

Mental Health Services

A variety of mental health services are available to Albertans of all ages. These include mental health information and education, assessment, counselling, treatment and follow-up services.

For more information, contact Alberta Health Services or the Alberta Mental Health Help Line at 1-877-303-2642.

Public Health Services

Public health services are available to all Albertans through Alberta Health Services.

These may include:

- » immunization against diseases such as influenza;

COMMUNITY AGENCIES

Funding Opportunities

Provincial Grants

Every day, non-profit and charitable organizations in Alberta help to make a positive difference for many people. The Alberta Lottery Fund enhances quality of life by reinvesting gaming revenues in communities to support volunteer organizations and their community initiatives. The Government of Alberta has several grant programs and foundations that assist these groups in their efforts.

Funding may be available through:

Family and Community Support Services (FCSS)

Under Family and Community Support Services (FCSS), communities design and deliver social programs that promote and enhance well-being among individuals, families and communities. These provincial/municipal/Métis Settlement programs are available in most parts of Alberta and provide information, funding and assistance with the development of community-based preventive social programs, including services for senior citizens.

In some communities, FCSS assists seniors by offering home support services, information and referral, and outreach programs. For information, contact the FCSS or Community Services office listed in your local telephone directory.

Meals on Wheels

Meals on Wheels is a non-profit organization that provides home delivered, low-cost meals to seniors, shut-ins and those with mental or physical disabilities. These services are available in many areas of Alberta. For information about Meals on Wheels, refer to your local telephone directory or contact Alberta Health Link by dialing 811 or 1-866-408-LINK (5465).

Money Mentors

Money Mentors is the only Alberta-based, not-for-profit credit counselling agency. Through a number of services, help is provided to families and individuals to recover from financial crisis and move forward. Services offered include credit counselling, money coaching, retirement planning and financial literacy.

To learn more or to book your free Financial Needs Assessment, please call 1-888-294-0076 or visit the website at www.moneymentors.ca

PROTECTING YOU AND YOUR INFORMATION

Office of the Information and Privacy Commissioner of Alberta

The Office of the Information and Privacy Commissioner of Alberta (OIPC) works to protect Albertans by ensuring public bodies, health custodians and private sector organizations uphold the access and privacy rights contained in the laws of Alberta.

Through the OIPC, the Commissioner oversees and enforces the administration of three access and privacy Acts:

- » *Freedom of Information and Protection of Privacy Act (FOIP Act)*
- » *Health Information Act (HIA)*
- » *Personal Information Protection Act (PIPA)*

If you believe your personal or health information may have been collected, used or disclosed improperly, you may submit a complaint in writing to OIPC. For more information about OIPC and privacy laws in Alberta you can refer to www.oipc.ab.ca.

Elder Abuse

Elder abuse is any action or inaction by self or others that jeopardizes the health or well-being of any older adult. Elder abuse can take several forms, including: physical, emotional, financial, sexual, medication abuse or neglect. It may include the infliction of physical injury, restraint, exploitation, threats, ridicule, humiliation, forced isolation, or forced change in living arrangements. Elder abuse may also include neglect; that is, the refusal or failure to care for an older person whether intentional or unintentional.

The following is a list of resources you can call if you are a senior experiencing abuse or you know a senior that may be being abused.

Protection for Persons in Care

The Protection for Persons in Care office addresses reports of abuse and administers the *Protection for Persons in Care Act*. This act promotes the safety and well-being of adult Albertans who receive care or support services from publicly funded service providers. The act requires that all service providers protect clients from abuse and maintain a reasonable level of safety. The act also requires that all abuse be reported. A complaints officer reviews every allegation reported to Protection for Persons in Care.

The Protection for Persons in Care office responds to reports of abuse of adults receiving care or support services from publicly funded service providers, including, hospitals, seniors' lodges, nursing homes, mental health facilities, shelters and other supportive living settings.

To report abuse, call the Information and Reporting Line at 1-888-357-9339

Continuing Care Health Services Standards

The Continuing Care Health Services Standards apply to all publicly-funded continuing care health services regardless of whether they are provided directly by, or under contract to, Alberta Health Services.

Alberta Health and Alberta Health Services are responsible for ensuring that health service standards are met. These standards apply where publicly funded health care is provided, namely by home care providers and facility operators.

If you have concerns about the quality of health services provided through home care or in a publicly funded continuing care facility (such as a designated supporting living site or long-term care), raise them first with the provider and Alberta Health Services.

For more information on the health service standards and their enforcement, contact:

Alberta Health

Supportive Living and Long-Term Care Accommodation Standards

The Government of Alberta ensures that supportive living and long-term care facilities meet accommodation standards set by the government. These standards cover services like meals, housekeeping and building maintenance and help to ensure that quality accommodation and related services are being provided to residents throughout the province. Supportive living accommodations are licensed and long-term care facilities are monitored for their compliance with the standards.

Supportive Living and Long-Term Care Public Reporting

The Government of Alberta has an online public reporting site for Albertans to use to see how individual supportive living and long-term care accommodations comply with the accommodation standards. Please visit: <http://standardsandlicensing.alberta.ca>.

The public reporting site provides current information on each supportive living and long-term care accommodation, including:

- » location and contact details;
- » visit information and compliance history since April 1, 2013; and,
- » supportive living licence status – accommodations with a full licence have complied with all accommodation standards. Accommodations with a conditional licence have a compliance action plan in place to meet all accommodation standards by a specified date.

For more information about the public reporting site or the supportive living accommodation standards and licensing, contact:

TRANSPORTATION

Bus Passes

Communities may offer people who are 65 years of age and over a bus pass at a reduced cost. You must supply proof of age when applying and may be asked to supply income information.

For information about public transportation and bus passes, contact your municipality.

Seniors Driving Services

Many communities offer driving services for seniors. Volunteers will drive seniors to destinations such as doctor appointments, shopping centres or social outings. There is often a minimal fee. Private services are also often available. For more information about seniors driving services, contact your local information centre (see pages 55-56) or the Family and Community Support Services office listed in your telephone directory.

Alberta Transportation

The Driver Fitness and Monitoring Section of Alberta Transportation is responsible for making decisions relating to a person's medical and/or physical fitness to drive. Medical reports are required when you renew an operator's licence at age 75, 80 and every two years after. The Alberta Health Care Insurance Plan will pay for medical exams for motor vehicle operators who are 75 years of age and over.

Taxes

General Information

Most types of income are taxable, including amounts paid to deceased individuals. Seniors may qualify for several federal and provincial tax credits within the tax system. Seniors eligible for the disability tax credit may also be eligible to claim additional medical expenses such as certain attendant care expenses.

For more specific information for seniors on taxes, visit the Canada Revenue Agency website at <http://www.cra-arc.gc.ca/seniors/> or phone the general inquiry line at 1-800-959-8281.

GST Credit

The Goods and Services Tax (GST) Credit is designed to offset the cost of the GST for individuals and families up to a certain income level.

You no longer have to apply for the GST credit. The Canada Revenue Agency will automatically determine your eligibility when you file your next income tax and benefit return. If you are eligible, you will receive payments quarterly in July, October, January and April. The credit is based on your net family income and if eligible, is paid to either you or your spouse/common law spouse, but not both.

Power of Attorney

Granting power of attorney gives another individual (called your attorney) the power to make decisions and act on your behalf. Power of attorney is voluntary and limited to matters of property and finance. Power of attorney does not allow someone to make personal or health decisions on your behalf.

For information on guardianship or personal directives, see pages 20-22.

Limited versus General Power of Attorney

A limited power of attorney gives your attorney the power to handle certain financial affairs only; for example, your affairs at a particular bank.

A general power of attorney gives your attorney the power to handle all financial affairs, including applying for and administering federal and provincial benefits.

Power of Attorney / Enduring Power of Attorney

The following is a brief description of the differences between a power of attorney and an enduring power of attorney.

For more detailed information, visit the Alberta Justice and Attorney General website at <http://justice.alberta.ca>, and refer to wills.

Power of Attorney

- » you must be mentally competent to appoint an attorney;
- » it takes effect immediately; and
- » ends if you become mentally incapable of managing your affairs.

Enduring Power of Attorney

- » specifically states that the Power of Attorney remains in effect should you become mentally incapable of managing your affairs; and
- » can contain conditions, such as requiring a written statement from a physician indicating that a specific event has occurred.
- » Although not mandatory, you may wish to consult a lawyer for assistance in drafting your Power of Attorney document.

Last Will and Testament

A will is a written document that allows you to set out how your property is to be distributed after you die. A will allows you to name a person to act as your executor after your death and to make certain that your property is distributed according to your wishes. A will does not have any legal force or effect until after you die.

There are three different types of wills:

- » formal will: prepared for you by a lawyer;
- » holograph will: prepared by you and done in your handwriting; and
- » will kit: forms obtained from stationery stores that you complete yourself.

If you require a lawyer or would like more information on wills or executors, contact the Lawyer Referral Service at 1-800-661-1095. See page 54 for more information.

What happens if you die without a will?

If you die without a will, your property will be distributed according to the provisions of the *Intestate Succession Act*. Information about this act is available in the *Saying Farewell* handbook.

To request a copy of *Saying Farewell*, contact:
